GRAHAM SCOTT GATTIS	)	U.S. Mag. Judge Christopher H. Steger

**MEMORANDUM AND ORDER**

Defendant GRAHAM SCOTT GATTIS (“Defendant”) came before the Court on August 15, 2024, in accordance with Rules 5 and 5.1 of the Federal Rules of Criminal Procedure, for an initial appearance on an Indictment out of the United States District Court for the Western District of Missouri, Western Division.

After being sworn in due form of law, Defendant was informed or reminded of his privilege against self-incrimination under the 5th Amendment and his right to counsel under the 6th Amendment to the United States Constitution.

The Court determined that Defendant wished to be represented by an attorney and that he qualified for the appointment of an attorney to represent him at Government expense. Consequently, the Court **APPOINTED** Michael Henry of Federal Defender Services of Eastern Tennessee, Inc., to represent Defendant with respect to further proceedings in this case in the Eastern District of Tennessee.

Defendant was furnished with a copy of the Indictment and had an opportunity to review that document with his attorney. The Court determined that Defendant was capable of being able to read and understand the Indictment. At the Court’s request, AUSA Frank Clark explained to Defendant the offenses detailed in the Indictment. Defendant acknowledged that he understood the offenses with which he is charged in the Indictment. Defendant entered a plea of not guilty to the charges in the Indictment.

The Court explained to Defendant that he had a right to an identity hearing to determine whether he is the person named in the Indictment; a right to production of the warrant; and any detention hearing to which he may be entitled. The Court further explained to Defendant that he had a right to transfer these proceedings to the charging district, which, in this case, is the United States District Court for the Western District of Missouri, Western Division.

Following consultation with his counsel, Defendant agreed to waive an identity hearing, production of the warrant, and a detention hearing in this Court, and to request transfer of those proceedings to the United States District Court for the Western District of Missouri, Western

Division [See Doc. 7]. The Court confirmed that Defendant would be entitled to such proceedings in the charging district at a date and time set by that Court.

It is, therefore, **ORDERED** that:

1. The Government's motion that Defendant be **DETAINED WITHOUT BOND** pending further proceedings in the United States District Court for the Western District of Missouri, Western Division, is **GRANTED**.
2. The U.S. Marshal shall transport Defendant to the United States District Court for the Western District of Missouri, Western Division.
3. The Clerk of Court for the Eastern District of Tennessee shall promptly transmit all documents relating to this case to the Clerk of Court for the United States District Court for the Western District of Missouri, Western Division.
4. The Clerk of Court for the United States District Court for the Western District of Missouri, Western Division, shall immediately notify the United States Attorney for such district of Defendant's arrival so that further proceedings may be promptly scheduled.

**SO ORDERED.**
